Kleine Füchse e. V.

A parents' action group is responsible for the public daycare centre close to Forschungszentrum Jülich, namely

Kita Kleine Füchse

As part of a model project, we receive support from Forschungszentrum Jülich, Düren district, the federal state of North Rhine-Westphalia, and the town of Jülich. The initiative's concept is characterized by opening hours adapted to work at Forschungszentrum Jülich as well as by activities encouraging children's interest in technology and science. Thank you for your interest in our parents' action group and the childcare we offer.

What do childcare places cost?

Our daycare centre is publicly funded. **Just like all other childcare centres**, the fees are laid down by the Kreisjugendamt (District Youth Welfare Department) depending on parental income.

Parents must also pay a monthly subscription to the Kleine Füchse (approx. € 28 per month). If required, lunch currently costs an additional € 53 per month.

Membership of the **Kleine Füchse e.V.** association is a condition for your child being accepted. The minimum annual membership fee is currently € 18.41.
